To Whom it may concern,

**Re - Mark Hossen & Option One Financial Partners**

It gives me great pleasure to provide a testimonial regarding Mark Hossen and Option One Financial Partners.

Having been in various businesses for over 20 years, I have always had to negotiate my own funding for my business's and property investments.

As my business grew I realized that this aspect was taking more and more of my time and requiring more specialized input and knowledge of financing, which I was personally limited in.

I was introduced to Mark Hossen by my accountant over 2 years ago, and in this time I have found Marks knowledge, professionalism and integrity invaluable in securing both business funding and investment funding.

Mark has been a vital part of my business strategy, and without his assistance on a number of levels our business outcomes would have been totally different.

I consider Mark as an integral part of my management team and would highly recommend him and Option One Financial Partners for the Mortgage and Finance Association awards.

Yours sincerely
