RE: TESTIMONIAL TO OPTION ONE FINANCIAL PARTNERS

It is with great pleasure that I have been asked to write this testimonial for Mr Rod Cumming and his company, Option One Financial Partners. Enco Constructions Pty Ltd has been dealing with Rod and Option One for the past ten years to secure loans for large mobile cranes, plant, equipment, heavy trucks and motor vehicles and have found Option One Financial Partners to always act in a professional and ethically comforting way, explaining potential risks and on some occasions we have been requested to prepare a list of other company risks and mitigants. I sincerely believe that this request by Option One has increased awareness of the business risks.

During dealings to these complex financial dealings, Option One has always acted with integrity and skill not encountered by the undersigned with any other financial institutions and have recommended Rod to numerous colleagues as Option One has a 'can do' attitude, providing the case is fully detailed.

I wish Rod well with his nomination and believe Option One Financial Partners would be a worthy recipient of any award within the financial community where the criteria encompassed professionalism, honesty, integrity, ethics and skills in understanding financial requirements.

Should you have any queries regarding the contents of this letter or the dealings of Option One Financial partners or its principal, Mr Rod Cumming, please do not hesitate to contact the undersigned on the numbers shown above or mobile 0412 304 444.

Yours Sincerely
Enco Constructions Pty Ltd
