Re: Testimonial – Option One Financial Partners

We have been referring clients to Rod Cumming of Option One Financial Partners for the past eight (8) years.

The feedback from our clients has always been very positive. In particular, our clients appreciate the honesty and integrity of not only Rod, but all of the team at Option One.

From my association with Option One, I have always found Rod, Mark and the team very professional and a pleasure to work with. Notwithstanding I have other finance and mortgage brokers as clients, I keep referring clients to Option One as I know they will get the job done in a timely manner and with the minimal amount of fuss.

We look forward to continuing our relationship with Option One Financial Partners for many years to come.

Yours Sincerely
JOHNSTON ASSOCIATES PTY LTD
